### A Message from the President

### *"Makin" A Big Splash!*

As the end of our 2023-2024 season approaches, I would like to take a moment to reflect on the incredible journey we have shared. We began the year with a bold motto: This is Us! NOS Strong! And together, we have lived up to it in every way.

Your unwavering support has been the bedrock of our success. From volunteering your time and talents to generously donating to our Food Sharing Center and Charities, you have consistently demonstrated your financial support with your deep pockets and open hearts of giving that help define our NOS community.

Beyond our charitable endeavors, this season has been remarkable growth and advancement.

We have welcomed new members into our organization, implemented new systems to streamline our operations, and finally, produced a printed directory with photos – a tangible symbol of our membership.

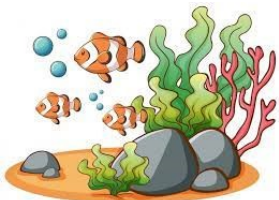

As I hand over the reins of president after two fulfilling seasons, I do so with immense gratitude. It has been a whirlwind, yes, but a whirlwind of accomplishment and shared purpose. I am incredibly proud of everything we have achieved together, and I know that the future of NOS is bright.

From the bottom of my heart, thank you for making this season and my time as president so special. I am honored to have served alongside such a dedicated and compassionate group of individuals, and special thanks to my Board of Directors.

You are encouraged to stay connected and engaged with NOS throughout the summer.

With warmest regards,

*Patti Coggins*

Thanks to your contributions, we have made a real difference in the lives of those in need. We have provided hundreds of meals to families facing food insecurity, and we have brought a sense of hope and comfort to our community through the Food Sharing Center.

We have helped to lay the foundation of our Brevard Zoo/Aquarium Legacy Project. This campaign is a once-in-a-lifetime opportunity to make a lasting impact on the families, ecosystems, and wildlife who call Florida home. I am proud to say NOS is a founding supporter!

Our 3rd charity this year is The Children's Hunger Project in Brevard County. NOS will donate \$4,000 to this organization to help provide children with food to take home on weekends and during school breaks.
