Happy New Year! Let's Kick Off 2025 with Fashions in Paradise!

A Message from the President

Happy New Year! I hope you all had a wonderful holiday season filled with joy. As we embark on a new year, we're excited to announce that our first major event of 2025 is *Fashions in Paradise* on February 13th. This glamorous event is always a highlight of our season, and we can't wait to see you there. Don't miss out – reserve your spot early, as this event fills up quickly!

We extend our sincere gratitude to all our monthly club and activity leaders. Your dedication and hard work make NOS a vibrant and rewarding community.

Let's Give Back Together: In the spirit of giving, we're partnering with the Food Sharing Center for our February event. We ask each member to bring a non-perishable food item or hygiene product to help fill the Food Sharing Truck at the event. Your generous donations will make a significant impact on our community.

A Heartfelt Thank You: We're incredibly grateful for your support of our holiday raffle. Thanks to your generosity, we raised an impressive \$3,520 for our chosen charities: The Women's Center of Brevard and Helping Seniors of Brevard. As we celebrate our 40th year as an organization, I'm honored to serve as your President. Together, we'll continue to create lasting memories and make a positive difference in our community.

Best regards,

Patti Coggins

Join our Board - 2025 -2026 Season

After three fulfilling seasons as your President, I'm excited to announce that Kim Mangrum will be stepping into this role for the 2025-2026 presidential season. Kim's passion for our organization and her commitment to our community makes her the perfect choice to lead us forward.

I'm incredibly proud of what we have accomplished together. With over 300 active members, we've built a strong and vibrant organization that's both socially engaging and deeply committed to giving back.

Now, we need your help to keep this momentum going. We're seeking individuals passionate about NOS and eager to contribute their time and talents. Your involvement is invaluable if you're interested in a leadership role or want to volunteer for a specific event or project.

If you're interested in learning more about leadership opportunities, please don't hesitate to contact me. We're assembling a new slate of officers to present to the membership at our April event.

While finishing my term as your President, I have mixed emotions. I have thoroughly enjoyed every minute in the leadership role, and will miss it. I feel I have left the organization in good hands with Kim's leadership. I am asking you to please step up and be part of the new leadership team. Special thanks to this board, which has been outstanding to NOS in the 2024-2025 season.
